THE CORONA VIRUS, is with us for our 4th newsletter and our 4th month in the new year! To our SURPRISE we have been hit with a horrendous pandemic! This Corona Virus has left everyone speechless, and in a ray of dismay. Not knowing which way is up and what to do about it. With all, or much of the entire World on lock down it seems it is hard to do the work of the Heavenly Father at this present time.

Our team was so excited about our plans for the new ALCC! With renovations underway, plans for the community yard sale, grand opening of the ALL NEW ABUNDANT LIFE COMMUNITY CENTER! We have been trying to figure out which way the Father wants us to go now, during this time of plague and turmoil. For the second time in the history of Las Vegas, the entire Las Vegas Strip is closed down and will be indefinitely. Although the first time, it happened after the Kennedy Assassination in 1963, it only lasted 1 day. In this case the Strip is closed until further notice from the Governor. So now, the question would be do we continue to do the WILL of the Father and keep serving the community? Our answer is YES!! We will continue to let our light shine in this community in spite of the pandemic or come what may. We indeed WILL be a LIGHT that sit upon the hill, shining brightly for the community to see and be led to the true meaning of LOVE from THE FATHER working through us.

We decided of course to plan accordingly and to also follow the laws of the land and be wise about mask wearing, gloves, and staying safe while continuing to be of service to the community at large.

During this time we find that many people have lost jobs, not able to get to the store, can't ride public transportation to get out. With this being said more people are struggling now than ever before, which makes it hard for me as the Community Service Leader, to just tell the team we are going to do nothing. We are going to PUSH FORWARD with caution, and compassion at the same time. We will take the FOOD outside in front of the community center. We will set up tables with the food on them, placing the tables distance apart, so that we will be able to practice Social Distancing, and still feed the community. My team agrees with me as I decided that, where there is a will, there is a way. So this Community Service team will continue to be of service to the Father by serving HIS People in need.

Now, all other programs (sponsored by the Community Service Team), projects and most all activities have been placed on hold with the exception of a much needed feeding program until further notice.

Reminder: We hold our regular meetings every 2nd Sunday of each month at this time due to the pandemic, we will be postponing all meetings unless held via conference call etc. I will notify all team members in the event of a meeting.

Our team is on the move, so with each newsletter we will share many pictures with you, giving you a pictorial view of our goings and comings. We hope you enjoy reading and watching the continued growth of the new community service department for 2020! Also please remember to take the time to visit us on the church website at: www.abundantlifelv.org click on Church Ministries and then Community Service, after which you can follow the links on our webpage!
