Look at the birds of the air: they neither sow nor reap nor gather into barns, and yet your heavenly Father feeds them. Are you not of more value than they?

- Matt 6:26

BREAK TIME, and this is our 8th month in 2020, continuously doing the work of The Father in the community! Yes we are STILL in the THREE DIGIT weather and it is SURELY HOT for EVERYONE!!

This month we are moving forward, but it is getting a little too tedious, so with this being said, we have all agreed that it is time to take a much needed break.

A break from the heat for sure, and a break from all the heavy lifting, loads and loads of food, 3-4 times per week. Travels from various locations to pick up and drop off! The SUMMER is in full force and it is also hard on the people of the community having to stand outside in the heat to wait for food. Due to COVID 19 we are unable to bring the crowds inside the community center for weekly distribution.

Three of our volunteers are being called back to work since it is getting close to the opening of the new school year. Even with the Pandemic still at large the people in the schools must prep for this new process. We are wishing all the very best to the Principal Mrs. Denise Raphael, Teacher Mrs. Annisa Johnson, and support staff Ms. Pam Wells. These ladies will be leaving us now for a while. Personally I am very tired and in much need of a mental and physical break as well! So as of July 22, we actually ended the program until further notice. We took the first couple of weeks in this month of August to clean everything out and get the center ready for temporary closure.

It has been a pleasure to be FRONT LINE WORKERS during this Pandemic and also for the past 9 months of serving the community, actually starting in 2019. I greatly appreciate my team of dedicated workers who made it their mission to work diligently through out this entire process. We have invited Pastor O. Madden to come for our last day to offer up prayer and blessings to the community! Pastor Madden came, as he made it a point to make the people in the community feel welcome and let them know how much we love them, and they will be missed as well as letting them know about the GIFT of SALVATION from OUR HEAVENLY FATHER! Special thanks to you too Pastor Madden for taking the time from your very busy schedule to come out and pray for this community. We will be returning again as soon as we restructure our new system. We will still be planning strategically for our next move to help the people in this local urban community.
